eat like your life

depends on it

When you clean up your diet and start eating real food, it's the sauces, dressing and toppings that can make an otherwise bland meal exciting. That's why Mark Sisson created Primal Kitchen condiments and dressings—to add uncompromisingly delicious flavor to every single bite.

Primal Kitchen products are unlike any others that you'll find in the grocery store. The entire collection aims to satiate exquisitely with real, simple, exceptional ingredients—like avocado oil, collagen, oil of oregano and apple cider vinegar—that contain no dairy, gluten, grain, refined sugar or soy.

As Mark would say, EAT LIKE YOUR LIFE DEPENDS ON IT, because it does.

MAYO REDEFINED

100% WHOLE GRAINS · PROTEIN PACKED · NON-GMO

Before the days of over-processed, nutrient-deprived wheat, people relied on whole grains for the nourishment necessary to navigate life on the frontier. Here at Kodiak Cakes, we use 100% whole grains in every product we craft because they taste better and are full of fiber, B vitamins, and antioxidants to give you the long-lasting energy you need to explore your frontier — wherever that may be.
